

PLANNING REF : 253154
PROPERTY ADDRESS : 19 Bythorn Clos Lower Earley
: Reading, England
: RG6 3BH
SUBMITTED BY : Mr B Fisher
DATE SUBMITTED : 26/01/2026

COMMENTS:

Concerned with delivery and storage of building materials for this project.

Space is limited in this area and previous building work at other properties in Bythorn Close has resulted in access problems and damage to the front and side lawn area of 19 Bythorn, caused by lorries not being able to navigate/turn around in the Close.

For the record I agree with other comments re. 'Harm to Character and Spacing of the Area'.
