COMMENTS:

I strongly object to this application. The developer has taken a Beverley Hills luxury home, in a bewildering fusion of Tudor, arts and crafts and modern-grandeur, and crash-landed it in the middle of a rural setting. The naked-ambition is, quite honestly, enormous. Self evidently disproportionate to either the existing site dwellings, that it seeks to devour, or the modest size of the neighbouring cottages and family sized homes. It is beyond like for like and beyond any kind of characterful reflection of dwellings in the area. There is no evidence supporting the necessity for such a voluminous house in Whistley Green.

WBC are urged to reject the application.
