COMMENTS:

I would like to object to this planning application, because the proposed house is out of character (both in size and design) with the local neighbourhood, particularly as it would have an overbearing impact on the homes around it, including our own. The upper windows would directly overlook our property and neighbouring ones, and would be intrusive and dramatically reduce privacy levels. The proposal is completely out of keeping with any other properties around it. Whilst I completely understand and support renovation of and building on the site, I can't support the enormity of this proposal.
