

Site address – rear of units 4-7 at Millars Business Park, Fishponds Close, Wokingham, RG41 2TZ

Proposed works –

T1 – Oak – Reduce lateral branches only by approx. 2-3m to clear from building removing secondary branches only.

T2 – Oak – Reduce lateral branches only by approx. 2-3m to clear from building removing secondary branches only.

T3 – Oak – Reduce lateral branches only by approx. 2-3m to clear from building removing secondary branches only.

T4 – Oak – Reduce lateral branches only by approx. 2-3m to clear from building removing secondary branches only.

T5 – Ash – Reduce lateral branches only by approx. 2-3m to clear from building removing secondary branches only.

Reasons for works –

Causing problems with building gutters and side of units.
