Appraisal :

1.) Impact upon the neighbouring dwelling

The proposed development is to amend the previous application 98/6716 9/F. The proposed development is located to the rear of the site and is not in the views of any adjacent dwellings. As such there will be no overlooking, overshadowing or overbearing. Hence there will be no detrimental impact upon the residential amenity of the adjacent dwellings.

2.) Impact upon the character and amenity of the Green Belt.

The proposed development is to amend the previous application, which was drawn at an incorrect scale. As such there will be an increase in the height of the structure by m, but there previously approved porch will be removed, giving the building a more simple appearance.

As such, the proposed amendments will have no detrimental impact upon the character or amenity of the Green Belt.

Swimming pool building over an existing pool
Application Number: F/2000/0626

In response to your consultation for the above application, the Conservation/Design/Listed Buildings comments are as follows;

1 Kingswood House is in the Green belt and on the edge of the Area of Special Landscape Character. It is therefore an extremely visually sensitive location.

2 The proposed structure to enclose the existing swimming pool is large in scale and mass and its form cannot be considered to reflect a farm outbuilding.

3The boundary of the proposed structure projects into the adjoining farmland (see enclosed GIS sheet) Was the boundary changed when the pool was constructed ?

4 I could not support a building of this scale or form in such a visually sensitivelocation.
