COMMENTS:

I object to this application based on several points.
Firstly, access to this site is via a housing estate that already suffers from excess traffic, with less than ideal parking options. Having a school here will impact residents massively with the extra vehicles travelling to the school.
Secondly, there is a primary school less than 10mins walk and another around 15mins from the site, another school is not needed.
My third point would be a general store/local shop would be more beneficial to residents as we currently don't have one within walking distance.
