

VARIATION/REMOVAL OF CONDITION **DRAFT DECISION NOTICE**

WOKINGHAM
BOROUGH COUNCIL

Expiry Date: 22 August 2025

Application Number: 250865

Location: 12 - 13 Market Place, Wokingham, RG40 1AL

Proposal: Application to vary condition 2 of planning consent 242263 for the erection of a new bin store and landscaping works along with new trees. Following the removal of existing trees. Condition 2 refers to the approved details; the variation is to remove the proposed shrubs and alter the fencing.

Recommendation: Approve

Conditions and/or Reasons

Condition 2 is amended as follows:

2. Approved details - This permission is in respect of the submitted application plans and drawings numbered 23.13MP.P02 Rev E & 23.13MP.P03 received by the local planning authority 04/04/25. The development shall be carried out in accordance with the approved details unless other minor variations are agreed in writing after the date of this permission and before implementation with the Local Planning Authority.

Reason: For the avoidance of doubt and to ensure that the development is carried out in accordance with the application form and associated details hereby approved. The application proposes to remove condition 4, however it is considered reasonable and necessary to vary the condition to ensure that the LPA have confirmation a scheme of landscaping is agreed. Condition 4 is therefore revised accordingly. All other conditions of planning permission 242263 apply to this planning permission, viz;

1. Timescale - The development hereby permitted shall be begun before the expiration of three years from the date of the original permission 242263.

Reason: In pursuance of s.91 of the Town and Country Planning Act 1990 (as amended by s.51 of the Planning and Compulsory Purchase Act 2004).

2. See above.

Reason: See above.

3. External materials - Except where stated otherwise on the approved drawings, the materials to be used in the construction of the external surfaces of the extension hereby permitted shall be of similar appearance to those used in the existing building, unless other minor variations are agreed in writing after the date of this permission and before implementation with the Local Planning Authority.

*Reason: To ensure that the external appearance of the building is satisfactory.
Relevant policy: Core Strategy policies CP1 and CP3.*

4. Prior to the commencement of the development there shall be submitted to and approved in writing by the local planning authority a scheme of landscaping, which shall specify species, planting sizes, spacing and numbers of trees/shrubs to be planted, and any existing trees or shrubs to be retained.

Planting shall be carried out in accordance with the approved details in the first planting and seeding seasons following the occupation of the building(s).

Any trees or plants which, within a period of 5 years from the date of the planting (or within a period of 5 years of the occupation of the buildings in the case of retained trees and shrubs) die, are removed or become seriously damaged or diseased shall be replaced in the next planting season with others of similar size and species or otherwise as approved in writing by the local planning authority.

*Reason: Reason: To ensure adequate planting in the interests of visual amenity.
Relevant policy: Core Strategy policy CP3 and Managing Development Delivery Local Plan policies CC03 and TB21 (and TB06 for garden development).*

5. The development hereby permitted shall be carried out in accordance with the details within the Arboricultural Method Statement Arboricultural Implications Assessment by ATWORTH ARBORICULTURE LTD and the submitted Tree Protection Plan.

No operations shall commence on site in connection with development hereby approved (including any tree felling, tree pruning, demolition works, soil moving, temporary access construction and or widening or any other operation involving use of motorised vehicles or construction machinery) until the tree protection works required by the Approved Scheme are in place on site.

No excavations for services, storage of materials or machinery, parking of vehicles, deposit or excavation of soil or rubble, lighting of fires or disposal of liquids shall take place within an area designated as being fenced off or otherwise protected in the Approved Scheme.

The fencing or other works which are part of the Approved Scheme shall not be moved or removed, temporarily or otherwise, until all works including external works have been completed and all equipment, machinery and surplus materials removed from the site, unless the prior approval in writing of the local planning authority has first been sought and obtained.

Reason: To secure the protection throughout the time that the development is being carried out of trees shrubs or hedges growing within or adjacent to the site which are of amenity value to the area, and to allow for verification by the local planning authority that the necessary measures are in place before development and other

works commence Relevant policy: Core Strategy policy CP3 and [Managing Development Delivery Local Plan policies CC03 and TB21.

6. No trees, shrubs or hedges within the site which are shown as being retained on the approved plans shall be felled, uprooted wilfully damaged or destroyed, cut back in any way or removed without previous written consent of the local planning authority; any trees, shrubs or hedges removed without consent or dying or being severely damaged or becoming seriously diseased within 5 years from the completion of the development hereby permitted shall be replaced with trees, shrubs

or hedge plants of similar size and species unless the local planning authority gives written consent to any variation.

Reason: To secure the protection throughout the time that development is being carried out, of trees, shrubs and hedges growing within the site which are of amenity value to the area. Relevant policy: Core Strategy policy CP3 and Managing Development Delivery Local Plan policies CC03 and TB21.

Informatives

1. Please note that if the works carried out depart from the scope of this planning permission and a retrospective application under Section 73A is subsequently required, there may be CIL liability implications. The scope of any retrospective planning application will cover the chargeable development for the purposes of CIL, this will include past works that are unauthorised and any additional future works included within the planning permission. If the total floorspace of these works is over 100sqm, they will be liable to pay CIL. In such cases, no CIL exemption can be claimed, and payment will become due immediately as development for which planning permission is granted under a subsequent Section 73A or Section 177(1) application must be treated as commencing on the day any such planning permission is granted. Any demolished floorspace will not be able to be considered for offsetting if the relevant building is not on the land on the day that the permission is granted.

2. The development accords with the policies contained within the adopted / development plan and there are no material considerations that warrant a different decision being taken.

3. The Local Planning Authority has acted positively and proactively in determining this application by assessing the proposal against all material considerations, including planning policies and any representations that may have been received and subsequently determining to grant planning permission in accordance with the presumption in favour of sustainable development as set out in the NPPF.

4. The applicant is reminded that should there be any change from the approved drawings during the build of the development this may require a fresh planning application if the changes differ materially from the approved details. Non-material changes may be formalised by way of an application under s.96A Town and Country Planning Act 1990.
