COMMENTS:

I am writing to express my strong support for the proposed Winnersh Mosque. This project will not only provide a vital community hub for Muslims in the area but also foster greater understanding, tolerance, and community cohesion.

The mosque will offer a range of benefits, including:

- A peaceful place for worship and reflection
- A community center for social events, education, and youth activities
- A symbol of inclusivity and diversity in our community

I believe that this project will have a positive impact on the local community and contribute to the rich cultural tapestry of Winnersh. I urge the planning authorities to approve this application and support the development of this much-needed community resource.

Thank you for considering my comment`
