COMMENTS:

I have no particular objection to the proposal to convert the existing bungalow into a 2-storey house

Drawing 2428-PL-SITE shows that a driveway to the front of the property will accommodate 4 vehicles.

This off-road parking is an important provision for the proposed house, but equally for the current bungalow.

Rowan Drive is a narrow road, and residents and visitors need to use the width of the road to swing into and out of driveways

The 4-vehicle driveway will hopefully eliminate the need for any roadside parking in this stretch of the road
