

PLANNING REF : 252498
PROPERTY ADDRESS : 8 Fresian Way
: Wokingham, Berkshire
: RG41 5FW
SUBMITTED BY : Mr Mark William Robinson
DATE SUBMITTED : 09/11/2025

COMMENTS:

The areas suggested are a wildlife haven, too many areas have already been destroyed due to building of houses etc. the roads in the area are already massively congested daily, this will totally ruin the area and its natural beauty as well as adding massive delays to traffic, therefore creating pollution. This planning application should be rejected immediately and no appeal or amount of money should be taken into consideration.
