Consultation Responses :

Earley T.C: No objection

Planning Issues :

1) Impact upon street scene
2) Impact upon neighbouring properties

Application Number: F/2001/4567

Appraisal:

The proposed development is for a single storey rear extension to form a conservatory. It would be 4.5m wide, 3.75m deep and would have a pitched roof, 2.3m to the eves and 3m to the ridge.

The property is detached, with a 1.8m fence enclosing the rear garden.

1. Impact upon neighbouring properties

It is not considered that there would be any adverse effects upon neighbouring properties as the conservatory would be set away from the boundaries and is single storey.

2. Impact upon the character of the street scene

The conservatory would not be visible from Pimento Drive. The materials used would match or be in-keeping with existing and it is therefore considered that there would be no adverse effects upon the character of the street scene.
