COMMENTS:

The Sonning & Sonning Eye Society is a civic society established for the public benefit in the area comprising Sonning and Sonning Eye. Its objectives include the following:

- To promote high standards of planning and architecture and
- To secure the preservation, protection, development, and improvements of historic, natural or public interest.

The Society is very concerned with the position of the proposed new access road. Its junction with Duffield Road is very close to the junction of the Duffield road junction with Pound Lane. There will possibly be up to 100 vehicles entering and exiting from the new access road once the 50 new houses are built. Pound Lane is already a busy road, and this proposal will only lead to more congestion.
