COMMENTS:

Ladds Garden Village has been a derelict eyesore for a number of years. It will be good to see the site tidy and put to better use. There's no need for a third garden centre in the vicinity of Squires and Gardeners Club. New housing is needed and it's much better to have it on a site that has been in use rather than green field developments recently approved either side of the A4 north of Twyford. Westbourne Homes build attractive high quality homes, which will be a welcome addition to the area. We support the application.
