

PLANNING REF : 241567
PROPERTY ADDRESS : Wheatlands Man
: Fleet Hill, Finchampstead, Berkshire
: RG40 4QG
SUBMITTED BY : David Hamilton
DATE SUBMITTED : 13/07/2024

COMMENTS:

Strongly object to above application

If granted it would be inimical to the local environment which is enriched by the RSPB reserve and the scenic pathway to the North. In terms of transport, pathways and connectivity the application is not sustainable

The current sewage treatment works is already overstretched and causing pollution

The additional traffic generated by an additional 40 houses would precipitate even greater congestion and delays in the neighbourhood. The development would be contrary to the recent Finchampstead Parish neighbourhood plan overwhelmingly approved by a local referendum.
