COMMENTS:

I object to this application that the amount of vehicular traffic that will use and service this site is not acceptable. The roads servicing this area are not suitable for large and articulated tankers that will be using the site. The increase in traffic, noise, pollution and the impact on wildlife and environment is not acceptable. The people of Charvil living on or close to the old Bath Road which runs past the site to the Wee Waif will feel the full force of the air and noise pollution.
