Tree Advice

Ref 1088

Date 9.9.2025

To Whom It May Concern,

During a site visit on **29th July**, I observed that the **silver birch tree** located in the rear garden of 10 Highway , Edgcumbe park is in severe decline. I advised my client at that time to contact the local council to seek permission for its removal.

In my professional opinion, the tree will not survive beyond next year. Removal should therefore be considered to prevent any potential safety risks.

If you require any further information please do not hesitate to contact me.
Yours sincerely Paul Akery
