All affordable housing dwellings should be built in accordance with the standards requirements and latest guidance issued by Homes England and/or the Regulator of Social Housing, meet the national space standards and conform to building regulation M4(2) (or any other applicable regulation) to ensure the provision of lifetime homes which are adaptable to varying needs. We request that the affordable housing is pepper potted across the site to support community development and housing management.

The affordable units should be transferred to the Council's Local Housing Company (Loddon Homes) or one of the Council's preferred Registered Provider (RP) partners for a price that will enable the RP or Local Housing Company to deliver the affordable housing without the need for public subsidy.
