COMMENTS:

I object to this planning application as stated.
We have had over 4000 houses already built to the East of Ashton Road.

The small amount of natural countryside that remains is home to important
Wildlife which has already been severely squeezed.
The proposed entrance onto Old Forest Road must surely be an error.
Why
Would this be allowed when you have the new by pass.
Old Forest Road currently allows children the safety of walking and
Cycling to and from the local schools but with another 100 plus cars
this is a
recipe for disaster.
We currently have not got enough Doctor surgeries or Dentists now
without adding
another influx of people.
I hope the Council listens to reason and refuses this application.
Wokingham is done.
Enough is Enough.
