COMMENTS:

Arborfield & Newland Parish Council would like to understand the status of this scoping opinion report.
The letter received from you dated 20/12/24 stated that 'This type of application does not require consultation and therefore this letter is for information only'. Yet the documents have appeared on the portal for consultation with a deadline of 10/01/25.
Please could you clarify if this is a matter for consultation or not.
If it is a matter for consultation, please could you grant an extension for response until 23 January 2025 so that the Council has an opportunity to discuss and prepare a response at its next full Council meeting.
