COMMENTS:

Dear Sir/Madam,

I support the planning application for an Islamic community centre and mosque in Wokingham. With the Muslim population growing , a local place of worship is essential. Existing centres in other towns do not meet Wokingham's needs.

This project will foster inclusivity, provide cultural and educational benefits, and boost the local economy. Parking and traffic concerns can be addressed with the council's collaboration.

I urge approval for its positive community impact.

Yours Sincerely

Nuzhat Alam
