

PLANNING REF : 250959
PROPERTY ADDRESS : 47 East Park Farm Drive
: Charvil, Berkshire
: RG10 9UG
SUBMITTED BY : Mrs Sarah Hannant
DATE SUBMITTED : 10/06/2025

COMMENTS:

I am deeply concerned about the proximity of this development to the country park, being a frequent walker around the area, due to the risk of fumes, overflow waste and fire-risk. More worrying however is how unsuitable the Old Bath Road is for HGVs - it is narrow, winding and often used by cyclists and pedestrians. To increase large vehicles on this road will increase the risk to other road-users.
