COMMENTS:

Dear Sirs,

Planning Ref No: 242841

I live at No 5 Queen's Cottages, Backisdeans, Wargrave, adjacent to the planned development re the above planning ref. to vary condition 2 of the planning consent no. 222150:

I would like to register my objection as follows:

1. Enhance the aesthetics - a pitched roof will look better than an (almost) flat one

Objection: By changing the pitch of the roof the height of the proposed garage will be increased to 4m which will considerably add to my loss of scenery (already impacted by original plan submitted). In addition to impacting on the view from my bedroom window I also question if the proposed height increase will be visible from my courtyard garden.

Yours faithfully,

Martin Pennock
