

ATTACHMENT B

TO: Wokingham Borough Council

21st November, 2024

Report by Tree Surgeon advising scope of proposed work

Details of work to be carried out at:

Thatched House
1 High Street
Wargrave
RG10 8JA

The list of work proposed is as follows – please note that these items are numbered 1 to 4 – and these numbers are reflected on **ATTACHMENT A – PLAN**, showing the position of the trees/group of Conifers.

1. Laurel.

Proposed work: Tidy to old cuts

2. Bay.

Proposed work: Reduce height to old cuts to clear phone line.

3. Bay by wall.

Proposed work: Tidy Shape.

4. Group of Conifers near boundary with Yule cottage.

Proposed work: Reduce height by 30% (3-4 metres) – current height approximately 15-18 metres tall, when reduced will be approximately 11-14 metres. Also, fell to ground level rear two stems (south side and south east side of tree) leaning towards Yule Cottage and the glass structure the other side of the fence causing some concern and restriction of light, and allowing the odd squirrel to jump onto the glass structure.

The owner and neighbour's would like the conifers reduced in height as they are growing too large and overshadowing and detract from their enjoyment of their properties.

NOTE: For your reference - the first three items, numbers 1, 2 and 3, formed part of previous applications under references:

APPLICATION NUMBER:202781. Approval letter dated 22nd January 2021.

APPLICATION NUMBER: 223602. Approval letter dated 12 December 2022

VAT number 977661071

Both of these works were carried out at the time, but the trees have once again grown and need the work to be redone.

VAT number 977661071
