Description of Proposed Works

Please describe the proposed works

Destruction of the existing double garage, to then build a new two-storey extension alongside the left hand side of the house as you view from the road, and add a single rear extension to the existing property. The driveway will be extended out at the front of the property to provide a wider driveway with ample parking at the property, replacing a large amount of the existing grass front lawn.

Has the work already been started without consent?

☐ Yes

☒ No

Materials

Does the proposed development require any materials to be used externally?

☒ Yes

☐ No

Please provide a description of existing and proposed materials and finishes to be used externally (including type, colour and name for each material)

Type:

Walls

Existing materials and finishes:

1. Red brick walls 2. Terracotta tile area in some sections 3. Mock Tudor section with dark wood and white render

Proposed materials and finishes:

1. Red brick to match existing 2. Terracotta tiles will be removed fully and replaced with white render across top half of house at the front. The rear will be matching red brick throughout 3. Mock Tudor dark wood will be removed and replaced with white render

Type:

Roof

Existing materials and finishes:

Brown concrete roof tiles

Proposed materials and finishes:

New concrete roof tiles in matching color, to match the existing profile and design.

Type:

Windows

Existing materials and finishes:

White UPVC window frames with diamond lead glass

Proposed materials and finishes:

Install any new windows required in matching white UPVC window frames throughout the house. All glass throughout the property will be replaced with plain glass with no lead pattern

Type:

Vehicle access and hard standing

Existing materials and finishes:

Brick weave driveway alongside the house.

Proposed materials and finishes:

Matching brick weave driveway to be extended out wider across the front of the house.

Type:

Doors

Existing materials and finishes:

PVC dark wood effect front and side door with diamond lead glass. Rear door is currently through a white conservatory that will be demolished.

Proposed materials and finishes:

Front door and side door to be replaced with similar style frame in an oak finish, with plain and obscure glass. On the rear extension two sets of bi-fold doors to be installed in grey colour. Juliet balcony doors to be in a white UPVC to match the window frames. Additionally, there will be a grey bar steel safety frame to cover the Juliet balcony doors.

Are you supplying additional information on submitted plans, drawings or a design and access statement?

☒ Yes

☐ No

If Yes, please state references for the plans, drawings and/or design and access statement

Full computer generated images of the proposed exterior appearance will be attached in pdf documents.

Trees and Hedges

Are there any trees or hedges on the property or on adjoining properties which are within falling distance of the proposed development?

- ☐ Yes
☒ No

Will any trees or hedges need to be removed or pruned in order to carry out your proposal?

- ☐ Yes
☒ No

Pedestrian and Vehicle Access, Roads and Rights of Way

Is a new or altered vehicle access proposed to or from the public highway?

- ☐ Yes
☒ No

Is a new or altered pedestrian access proposed to or from the public highway?

- ☐ Yes
☒ No

Do the proposals require any diversions, extinguishment and/or creation of public rights of way?

- ☐ Yes
☒ No

Parking

Will the proposed works affect existing car parking arrangements?

- ☒ Yes
☐ No

If Yes, please describe:

Existing driveway runs alongside the left hand side of the house as you look at it from the road, the two-storey extension will replace the rear of this space and we will therefore be removing some of the lawn across the front of the property to extend the driveway width to provide increased parking at the property.

Biodiversity net gain

Paragraph 13 of Schedule 7A of the Town and Country Planning Act 1990 sets out that every planning permission granted for the development of land in England shall be deemed to have been granted subject to the 'biodiversity gain condition' requiring development to achieve a net gain of 10% of biodiversity value.

This is subject to exemptions, an exemption applies in relation to planning permission for a development which is the subject of a householder application, within the meaning of article 2(1) of the Town and Country Planning (Development Management Procedure) (England) Order (2015)*.

Applicants for planning permission are required to make a statement as to whether they believe the biodiversity gain condition will apply if permission is granted, please confirm:

- ☒ It is my belief that if permission is granted for the development to which this application relates the biodiversity gain condition would not apply

*A 'householder application' means an application for planning permission for development for an existing dwellinghouse, or development within the curtilage of such a dwellinghouse for any purpose incidental to the enjoyment of the dwellinghouse which is not an application for change of use or an application to change the number of dwellings in a building.
