Afternoon Mark,

Hope you're well.

You'll have seen that we submitted further highways information on Wednesday which, hopefully, alleviates all of Gordon's comments.

We've also already discussed the landscape comments with you, and I think we're broadly aligned on that matter. In any case, we are putting together a written response on these comments for you.

From my records, we've had responses from :

- Active Travel England
- County Archaeologist
- Natural England
- NHS
- Fire & Rescue
- Thames Valley Police
- Thames Water
- LLFA
- The Parish Council
- Affordable Housing Officer
- Environment Agency
- Highways
- Policy Officer
- Sustainability Officer
- Trees & landscape

Have you received a response from your ecologist? If not, are you able to provide an update on when you expect a response from them?

I'd be grateful if you could send over any further consultee responses that have come in.

Thanks for all your work on the application so far.

Many Thanks,
Adam Constantinou Bmus (Hons) MA MRTPI
