

CONSULTATION RESPONSE 251483 Unit 1 171 Evendons Lane - from Berkshire Archaeology

CONSULTATION RESPONSE RE 251483 Unit 1 171 Evendons Lane Wokingham RG41 4EH

Application for submission of details to comply with the following condition of planning approval 231351 dated 12.11.2024. Condition 38 relates to Archaeology.

I have reviewed the Written Scheme of Investigation (WSI) submitted for this application (as required by part A of the condition) and can confirm that the methodology it describes is acceptable. As stated within the WSI, an additional Method Statement from the contractor is expected in due course, to clarify the working methods to be employed.

However, the work described in this WSI needs to be completed and reported on, in accordance with the WSI (and as per part B of the condition) before full discharge. Therefore, I **recommend this WSI be approved, but that the condition should not be fully discharged yet.**

Kind regards
