PROPERTY ADDRESS : 19 Bakers Place
: 19 Bakers Place, Woodley, Reading
: RG5 4AX
SUBMITTED BY : Mr Ramesh Mohanakumaran
DATE SUBMITTED : 14/12/2024

COMMENTS:

This development has already brought a lot of stress and anxiety to the local residents surrounding this development. There are families with young children residing and using the road throughout the day for various essential activities such as going to school and living their lives. The construction work is already impacting our right to live and have free and uninterrupted access. The delivery vehicles are already blocking unrestricted and safe access to the roads. 24*7

loading will further impact our health and well-being. So request the council to deny this access and block the development from raising any further changes. The nearby developments have already had heavy vibrations and possible impact during development. The residents have not got any help / support from the Woodley Council as well.
