Reason: To ensure that vehicles do not obstruct the highway whilst waiting for gates or barriers to be opened or closed, in the interests of road safety. Relevant policy: Core Strategy policies CP3 & CP6.

Informatives

1. Whilst it would appear from the application that the proposed development is to be entirely within the curtilage of the application site, the granting of planning permission does not authorise you to gain access or carry out any works on, over or under your neighbour's land or property without first obtaining their consent, and does not obviate the need for compliance with the requirements of the Party Wall etc. Act 1996.
