COMMENTS:

I wish to object to planning permission on the following grounds :
1 this lane has been a safe path for children to walk or to cycle to school avoiding very busy cross-roads and heavy traffic from Ellis Road and Pinewood Avenue.
2 Building permission has not been granted for many previous decades as it has been seen as not a suitable environment area for development as it sits at the end of a cul-de-sac for access.
3 If granted it would serve as a precedent for further building in back gardens along the lane .
