PROPERTY ADDRESS : The Verge
: The Village, Finchampstead, Berkshire
: RG40 4JR
SUBMITTED BY : Douglas and Gaynor WHITE
DATE SUBMITTED : 07/10/2025

COMMENTS:

We believe the roof pitch design is not considerate enough to the visual amenity of the The Verge ; this can easily be changed to a flat roof at the same height as the existing school classroom to the front and to add more light to it a large 'lantern style' roof light could be introduced to replace the proposed velux windows . Given this more sympathetic design we would be more than happy to support our dearly held neighbours' proposals.
