COMMENTS:

I object to this planning application on the following grounds:
Sustainability, There are few services in the vicinity
necessitating a journey to visit a supermarket. Each journey from
the proposed development/housing estate will in all probability be
by car, which ultimately is unsustainable, regardless that it may
be by electrical vehicle.

Services. The surgery in Swallowfield is over subscribed. The
first available appointment on my last attempt was two weeks in the
future. Safey. I commute to work by bicycle. The additional
vehicles

resulting from this housing estate will adversely effect my safety
and extend the duration of my journey.

Trowes Lane is a single lane carriageway with few if any passing
places. It is completely unsuited to multiple vehicles.
