

PLANNING REF : 252782  
PROPERTY ADDRESS : 74 East Park Farm Drive  
: 74 East Park Farm Drive, Reading  
: RG109US  
SUBMITTED BY : Mr Richard Bennett  
DATE SUBMITTED : 11/12/2025

COMMENTS:

The site is very vulnerable to flooding, and backs onto a nature reserve consisting of several interconnecting lakes. It's highly likely that flooding will spread pollution from the site, which will have a severe impact on the nature reserve. This should not go ahead.
