COMMENTS:

Please refer to my previous comments re the flooding of the field and our garden which cannot be walked on due to the amount of water from the field. This has happened every year since we moved here in 1988 and even with the Arborfield Road improvement, it is no better. If the plans are passed, it will be really dangerous for an entrance off the Arborfield Road as there is the garage, a nursery, allotments and Vicars Close plus Oatlands Road .
