☐ Temporary

Why do you consider that a Lawful Development Certificate should be granted for this proposal?

I believe a Lawful Development Certificate should be granted for this proposal as the outbuilding/garden room will serve as a dedicated space for me to work from home and a quiet area for my son to do his homework. These uses are ancillary to the enjoyment of the main dwelling and do not constitute a separate dwelling or business, therefore falling within permitted development rights.

In summary, the project would likely accord with Schedule 2 (Part 1) (Class E) of the General Permitted Development Order. Design proportions are likely to be met and there are no restrictive conditions preventing such works on the site. It is recommended that a Proposed Certificate of Lawful Use is submitted to establish this via the planning portal. In any other case, planning permission would likely be granted.

Authority Employee/Member

With respect to the Authority, is the applicant and/or agent one of the following:

- (a) a member of staff
- (b) an elected member
- (c) related to a member of staff
- (d) related to an elected member

It is an important principle of decision-making that the process is open and transparent.

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.

Do any of the above statements apply?

- ☐ Yes
- ☒ No
