DATUM - ORDNANCE SURVEY NATIONAL GRID (OSTN02)
LEVELS - ORDNANCE SURVEY (OSDM02)

NOTES
Surveyed boundaries are not necessarily the site legal boundaries.
Client should refer to the relevant Land Registry document for confirmation of this.
Boundary and service covers that were buried, obscured or not visible at the time of the survey cannot be shown. Sewer connections between manholes are assumed to be straight and only shown where they are visible from the cover or are shown. Tree canopy measured values are written as maximum spreads. Tree species are condition to be confirmed by an arboriculturist.
