86 Charlotte Road
Sheffield
S1 4TL

Application Number: A/2001/3159

Parish:	**FINCHAMPSTEAD**
Location:	**Rusts, 420 Finchampstead Road, Finchampstead, Wokingham.**
Proposal:	**Proposed erection of internally illuminated double sided projecting sign on shop front.**

The Wokingham District Council in pursuance of their powers under the above Acts and Regulations hereby **Grant Permission** for the 679x206 mm sign, integrated in the ATM in accordance with the application and the accompanying plans submitted to the Council, subject to compliance with the following condition, the reason for which is specified hereunder.

Condition

1. a) Any advertisements displayed, and any site used for the display of advertisements, shall be maintained in a clean and tidy condition to the reasonable satisfaction of the Local Planning Authority .

   b) Any structure or hoarding erected or used principally for the purpose of displaying advertisements shall be maintained in a safe condition.

   c) Where an advertisement is required under the Town and Country Planning (Control of Advertisements) Regulations to be removed, the removal shall be carried out to the reasonable satisfaction of the Local Planning Authority.

   d) No advertisement is to be displayed without the permission of the owner of the site or any other person with an interest in the site entitled to grant permission.

e) No advertisement shall be sited or displayed so as to obscure or hinder the ready interpretation of, any road traffic sign, railway signal or aid to navigation by water or air, or so as otherwise to render hazardous the use of any highway, railway, waterway or aerodrome (civil or military).

Reason
1. To comply with the Town and Country Planning (Control of Advertisements) Regulations 1992 (as amended).

The Wokingham District Council in pursuance of their powers under the above Acts and Regulations hereby **Refuse Permission** for the projecting sign in accordance with the application and the accompanying plans submitted to the Council, the reasons for which are specified hereunder.

Reason
1. The proposed sign would result in the premises having a cluttered appearance, detrimental to the visual amenity of the surrounding area, and this would be exacerbated by internal illumination. As such the proposal would be contrary to Policy SBE10 of the South-East Area Local Plan and Policy WBE16 of the Wokingham District Local Plan (Deposit Draft).

Reason
2.. The proposed sign, by virtue of its minimum height of 2.1 metres above the pavement, would be a potential hazard to passers-by and hence highway safety. The proposal is, therefore, contrary to Policy SBE10 of the South-East Area Local Plan and to Policy WBE16 of the Wokingham District Local Plan (Deposit Draft).

Informative
1. You are advised, in compliance with The Town and Country Planning (General Development Procedure) (England) (Amendment) Order 2000, that the following policies and/or proposals in the development plan are relevant to this decision:
South East Area Local Plan Policies STV1, SBE1, SBE2, PS10, PS11 and SBE10.
Deposit Draft Wokingham District Local Plan Policies WOS2, WOS3, WBE1 and WBE16.

Date of Neighbour Notifications : .....

Date of Site Visit : .....7/2/01.....

Date Registered : 15/01/2001

Earliest Date for Decision : 09/02/2001

Latest Consultation Date/Site Notice Expiry Date : 09/02/2001

This application will have expired on: 12/03/2001. You need to make a decision 1 day prior to this date for this application to count as determined in less than 8 weeks.

Consultation Responses :

Highways - ~~no objection~~ condition + informative recommended.

Finchampstead PC - no objection.

Police - design advisor - risk increased by proximity to alleys | building recesses | phone boxes
- ~~for high crime~~ - comments re ATM machine

Planning Issues :

Identified Settlement — visual amenity + highway safety.

A/2001/3159
Rusts, 420 Finchampstead Road, Finchampstead

Appraisal: The proposal is for an illuminated projecting sign advertising an ATM which is the subject of a separate application (A/2001/3160). The shop, is a small local supermarket/convenience store.

The existing shop fascia spans Rusts and the adjoining post office and the shopfront is externally illuminated (downlighters). The fascia is green with yellow lettering and co-ordinates with the predominantly yellow stickers, which obscure a large proportion of the shop's display window. The fascia has a very shinny surface and the overall appearance of the shopfront is somewhat garish.

The proposed projecting sign would be located to the right (as viewed externally) of the existing fascia. It would be 695mm x 695mm, with an overall projection of 775mm and the illuminated display panel would be 655 x 655mm. The addition of a further illuminated sign would detrimental to the appearance of the shopfront, increasing its prominence and adding to the overall level of signage and illumination around the crossroads. The resulting visual clutter would be harmful to the visual amenity.

The minimum height of the projecting sign above the footpath would be 2.1 metres. Due to this low height the sign would be a potential hazard to passers-by.

The proposal also includes a surround. This is would be very small scale and would not have an unacceptable impact on visual amenity.

Recommendation:

1. GRANT planning permission for the 679 x 206 mm sign, integrated in the ATM subject to conditions
2. REFUSE planning permission for the projecting sign

Application Number A/2001/3159
Conditions/Reasons for Refusal

No	Std Con	Std Reas	Non Std Conditions / Reasons for Refusal

Your Ref. 3160

Dear Ms. Circuit

A.T.M. – Rusts Store, Finchamstead Road.

Thank you for the details of the above application.

I would make the following observations :-

The main crime risk relating to shop front mounted ATMs is the commission of robberies against users a moment after they have withdrawn cash. The proximity of alleys, building recesses or telephone call boxes where potential offenders can watch discreetly are all features which increase the risk.

Although not a high crime area, the lack of residential surveillance, the ease of vehicle escape in several directions and the relative isolation of the locality are all of concern.

I would prefer to see plans for improved lighting of the frontage and at least some form of CCTV surveillance of the front elevation included in the application. The crime risk to users must be addressed as well as the risk to the machine and shop fabric and the commercial benefit.

With regard to the duty on local authorities under Sec. 17 Crime & Disorder Act 1998, to take all their decisions in light of the need to do all that they can to reduce crime & disorder, the crime risks facing this proposal include burglary and a significant likelihood of car crime in remote parking bays.

The council can help discharge its duty under Sec 17 by taking the above comments into account when making its decision in respect of this application.

I trust this will be of help, and thank your for your consultation.

Yours sincerely.

DATA PROTECTION ACT 1984

'Information contained in this form is likely to be personal data within the terms of the Data Protection Act 1984, and as such will be held by the Council on computer (such as the PLANAPS applications processing system) and may be used by the Council only for purposes registered under the terms of the Data Protection Act.'

NOTES

GENERAL

1. Under the Town and Country Planning (Control of Advertisements) Regulations 1989, many outdoor advertisements required "express consent" from the local planning authority (usually the district council) before they can be lawfully displayed. Applicants should refer to the Regulations for details.

Period of Consent

2. Normally the maximum period for which the Council will grant consent is 5 years; but they have discretion to grant consent for a longer period. If consent is required for a specific period of more or less than 5 years, this requirement should be stated in reply to Question 8 on the application form.

Drawing Required

3. The drawing of the proposed advertisement can be in black and white on paper. It should show the size of the advertisement and its position on the land or the building in question. For a sign, the drawing should indicate the materials to be used, fixings, colours, height above the ground and, where it would project from a building, the extent of the projection.

   The drawings should include a 1:2500 scale location plan showing the site edged in *RED*. All drawings should be submitted in quadruplicate.

Owner's Consent

4. It is a condition of every consent granted by or under the Regulations that, before displaying the advertisement for which consent is given, the permission of the owner of the land or other person entitled to grant permission shall be obtained.

Other Consents

5. A grant of consent under the Town and Country Planning (Control of Advertisements) Regulation 1989 does not rank as consent which may be required for any other purpose, e.g. 'listed building consent' where the advertisement is to be displayed on any listed building.

Fees for Advertisement Applications

6. Regulation 11 of the Town and Country Planning (Fees for Applications and Deemed Applications) Regulations 1997 requires a fee to be paid to the Council with the advertisement application. The fee is related to each site on which it is proposed to display one or more advertisements. The appropriate fee for the following categories of advertisement is:-

   1. Advertisements displayed on business premises, on the forecourt of business premises or on other land within the curtilage of business premises, wholly with reference to all or any of the following matters:- **£50.00**

      (a) the nature of the business or other activity carried on on the premises:
      (b) the goods sold or the services provided on the premises; or
      (c) the name and qualifications of the person carrying on such business or activity or supplying such goods or services.

   2. Advertisements for the purpose of directing members of the public to, or otherwise drawing attention to the existence of, business premises which are in the same locality as the site on which the advertisement is to be displayed but which are not visible from that site. **£50.00**

   3. All other advertisements. **£190.00**
