COMMENTS:

I strongly object to this proposed development on the grounds
Swallowfield is a rural village and therefore unable to cope with
the demands of major expansion.

Cars currently using Trowes Lane are unable to pass safely without
mounting the pavement and its an accident waiting to happen

Thames water has deemed the site not adequate for a water supply and
the site lies outside the village boundaries.

For once common sense should prevail at least until the much needed
infrastructure is in place to support extra housing
