☐ Temporary

Why do you consider that a Lawful Development Certificate should be granted for this proposal?

is not a material change of use - Under the Town and Country Planning (Use Classes) (Amendment) (England) Regulations 2020, and further amendments to the Town and Country Planning (General Permitted Development) (England) Order 2015, C3(b) is defined as 'a single household of not more than 6 residents where care is provided'. This falls within the same use class C3, as C3(a), 'a single person or by people to be regarded as forming a single household.' As such, no change of use would take place and hence planning permission would not be required --- see Planning Statement

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.
