COMMENTS:

This will be the first extension in The Close of 9 Mews Houses on unadopted land, so very disappointing for residents. Although the application is for a single story extension No. 4 is on much higher than mine so it will be rather overbearing. I also have a large side window where I have a seating area, and will look directly onto their

extension rather than have my present open view. The disruption and very limited parking in the Close will be a major concern during construction.
