COMMENTS:

Too close to AWE.
Loss of wildlife,
Should be farmed,
Light pollution,
Noise pollution,
Roads inadequate for such a development,
No promises of additional doctors or schools,
Hyde End Road has been my family home and my parents have lived
there since 1960 when Hyde End Road was no more than a country lane.
The developments so far in and around our village have already
impacted on village life but this spells the death of Spencer's Wood
as any
kind of village at all. I am personally heartbroken at the thought
of not being able to look at the view across fields that I grew up
with.
