Consultation Responses :

parish Council : No objection.

neighbours : No letters received.

Planning Issues :

Impact on: Street scene. = The proposal is not forward of the building line. It is ~~not~~ screened by trees and large front garden.

Impact on: neighbouring properties = Both dwellings have adequate room around each plot for there to be no problem with overlooking, overshadowing

Impact on: highways = no problem - development is not considered to effect highways.

Application Number: F/2001/3224

Appraisal :

Impact on Street Scene: The proposed development does not stand forward of the building line. The proposed development does not seem to have significant detrimental impact upon the street scene as the front garden to the property is sufficiently far enough from highways so to be totally unobtrusive.

Impact on neighbouring properties: The proposal is for a single storey front extension to the main dwelling. There will be no overlooking, over shadowing, over looking or loss of light to other properties. Therefore the proposed development will have no significant detrimental impact upon the amenity of neighbouring properties.

Impact on Highway Safety: The proposal will not be big enough to create a detrimental impact upon the Highway.
