COMMENTS:

I wish to object to this planning application for the following reasons:

The design of the proposed houses are not in keeping with the houses in Hurst. They are totally out of character with the village. These are modern suburban houses in the middle of a historic village, which is exactly what we feared we would get. The black and anthracite grey are not in keeping with the history of the village. This development is in a prominent position within the village and is adjacent to the Grade 2 listed Vine Cottage therefore the council must ensure that the applicant rethink the designs. Plots 15-20 (flats) and Plots 21,22 and 23 are too close to School Road. All the current properties on School Road are set back with front gardens and driveways, these are directly adjacent to the pavement.
