

PLANNING REF : 253112
PROPERTY ADDRESS : 68 Laburnum Road
: Winnersh, Wokingham, Berkshire
: RG41 5XL
SUBMITTED BY : Mr Mark Fisher
DATE SUBMITTED : 24/01/2026

COMMENTS:

We are okay with the front section of the extension but not the rear. The height on the proposed west elevation drawing is incorrect, it is actually closer to 2.3m, rather than the 2.1m shown on the drawing. This is also plus the additional height for the roof. With the extension running along our border, the additional height will severley block out the light into our garden, affecting the plants, and also light into our conservatory.
