COMMENTS:

I strongly object to any extension.

This is because we were promised that the film studio would no longer be there after 2026. It is an eyesore and is off-putting to potential buyers.

Additionally the boundary fence is in an extremely poor state and is getting worse. There is a significant amount of debris, weeds etc and it detracts from the aesthetic of the otherwise pleasant neighbours. Nobody bothers to maintain this area.

I have recently asked Pinnacle to look into this but they dont respond to correspondence despite us paying their fees for this kind of work. Three years more of this is unacceptable and the extension should not be allowed to proceed.
