
MEMORANDUM

From:	Built Heritage Officer		
Service	Green Infrastructure	App No:	251413
Address:	Robin Lodge Nursery, Part Lane, Swallowfield, RG7 1TB.		
Proposal:	Full application for the proposed erection of 2no. buildings and open log store with associated parking, access and landscaping, plus installation of acoustic screen following demolition of existing buildings and mobile home.		
Heritage Asset:	Swallowfield Park – registered National Park & Garden, lies approx.250m to NE of site. Archaeological Site No.65 - lies to the east of the site, on opposite side of Part Lane, as well as to the south of Oakleigh Farm.		
Site Visit Made:	No.		

Summary Of Recommendations

No objection.

Comments On Proposal

No known heritage assets within the application site, which as far back as the 1873 edition of the OS maps had been, with along the Oakleigh Farm land, had once been one larger single field. And whilst Swallowfield Park lies close by, however the intervening distance is such that the proposals would have no impact on this historic parkland.
