COMMENTS:

I object to this planning application as an unnecessary and overly dense development of a greenfield area of Barkham further blurring the line between Barkham and Arborfield.

The development is like to put in danger trees protected by PTO and would lead to the loss of valuable natural habitate for bats birds and deer.

With the ongoing Arborfield development, proposed extesion to Barkham Square and the upcoming Hall Farm applicaiton, overwhelmed local services will be further stretched by thus unnecessary development.
