PROPERTY ADDRESS : 17 Thornbers Way
: 17 Thornbers Wa Charvil, Reading
: RG10 9DW
SUBMITTED BY : Mr Brian Harley
DATE SUBMITTED : 08/12/2025

COMMENTS:

As a resident of Charvil I totally object to this application as the site is very close to the Charvil lakes and contamination of fuel into the lakes would be devastating.
Also there is a fire risk from storing this amount of fuel near residential property

And the extra heavy goods vehicles on the old bath road would increase the risk to residents on foot especially as local children use this route to walk and ride their bikes to their schools
