COMMENTS:

Hi, I'm writing in objection to the planning application No252782. As a local resident who uses the Country Park regularly and help maintain it (as a volunteer) I cannot see any benefit from this proposal as it simply represents completely unacceptable dangers to the local environment and residents. I will not detail all the points as many before me have already done this and I support all the objection comments made. Please for the sake of Charvil, it's residents and it's ecology, do not approve this planning application, it's totally the wrong business for this location.
