PROPERTY ADDRESS : Eastlea
: Felix Lane, Shepperton
: TW17 8NN
SUBMITTED BY : Mr James Michael Hendry
DATE SUBMITTED : 09/12/2025

COMMENTS:

This seems to be a massive change of use with significant risk for the environmentally sensitive area (Charvil Meadows, Country Park and the River Loddon itself). It is unlikely that any environmental protection measures would be sufficient to protect the lakes, the river and the birds who live there, in the event of flooding or accidental spillage.
