NOTIFICATION OF REFUSAL OF CERTIFICATE OF LAWFUL PROPOSED USE OR DEVELOPMENT

Application Number: 250556
Applicant Name: Mr & Mrs Daley
Site Address: 48 Parkway, Crowthorne, Wokingham, RG45 6EW
Proposal: Application for a certificate of lawfulness for the proposed erection of a single storey front extension to form a porch and a single storey rear extension following demolition of the existing conservatory, plus changes to fenestration.
Date of Decision: 9 May 2025

Wokingham Borough Council hereby certifies that on 10 March 2025 (being the date of application for this certificate), and subject to any conditions and/or informatives below, the operations described in the First Schedule to this certificate in respect of the land specified in the Second Schedule hereto and edged red on the plan attached to this certificate, **would not have been lawful** within the meaning of section 192 of the Town and Country Planning Act 1990 (as amended), for the following reason(s):

1. The proposed Application for a certificate of lawfulness for the proposed erection of a single storey front extension to form a porch and a single storey rear extension following demolition of the existing conservatory, plus changes to fenestration constitutes development requiring planning permission. Permission is not available under Article 3 of the Town and Country Planning (General Permitted Development) Order 2015, the proposal being in accordance with Schedule 2 (Part 1) (Class A and D) of the Order.

The proposed development would link into a previous two storey side extension (ref: 002025) and therefore is considered against Class A (ja). The total enlargement would fail to meet all three criteria in para (j) as accumulatively the enlargement to the original dwelling house would be over 4m high; comprise of two storeys and would have a width greater than half the width of the original dwelling house when

considered with the proposed rear extension. This scenario and conclusion is well established in the accompanying technical guidance.

FIRST SCHEDULE

Proposal: Application for a certificate of lawfulness for the proposed erection of a single storey front extension to form a porch and a single storey rear extension following demolition of the existing conservatory, plus changes to fenestration.

SECOND SCHEDULE
